JOIN US IN A WORTHY MISSION

The mission of Prescott College is to educate students of diverse ages and backgrounds to understand, thrive in and enhance our world community and environment. We regard learning as a continuing process and strive to provide an education that will enable students to live productive lives while achieving a balance between self-fulfillment and service to others. Students are encouraged to think critically and act ethically with sensitivity to both the human community and the biosphere. Our philosophy stresses experiential learning and self-direction within an interdisciplinary curriculum.
