## Happy New Year!

### New Prescott College Position Available

From Marie Smith, Alumni Relations

As many of you know, I have been working in alumni relations at Prescott College half-time this past year from my home in Camp Verde. As the advancement office continues to change with the resignation of the Advancement Communications Director, Ashley Mains, the College has decided to create a full-time Director of Advancement and Alumni Relations position. This job would be a great position for an alumnus of Prescott College with fund-raising experience. I have listed a short description of the job below with a link. I will continue to work part-time in the advancement office as the data management coordinator and prospect researcher. Please make sure to continue to update our office with your current contact information. It has been a privilege for me to serve our wonderful alumni population these past 10 years!
