Policy Statement

No less than annually, the Vice President, Finance and Administration shall present, or cause to be presented, to the Audit Committee of the Board of Trustees a report on the insurance packages of the College.

This report shall include, but may not be limited to:

- Detail of the various types of insurance coverage provided, including limits of coverage and deductibles.
- Premium costs.
- Carriers and underwriters involved.

The Audit Committee, at its discretion, may also direct that this report be provided to the Board of Trustees either in writing or as a formal presentation at a meeting of the Board of Trustees.

Reason for Policy

This policy ensure transparency regarding insurance coverage.

Responsibilities

For following policy:
